

2023 Monday Sunflower Senior League Rules & General Information

1. The Monday Sunflower Senior League is composed of area seniors that have a common goal of enjoyment from the game of golf. Each member will be at least fifty-five (55) years of age.
2. If a player is unable to participate in an event, it is their responsibility to call and cancel BY SUNDAY @ 8:00 A.M. If one partner is not available to play, every effort will be made to pair someone else in the same situation. If a pairing cannot be made then the single player can still play but would be playing their own ball for the day.
3. Most Monday Senior league events will be tee time starts that begin at 9:00 a.m. during March, April and October. 8:30 a.m. starts during May-September, with the occasional 7:30am Shotgun start.
4. The Golf Professional, in consultation with the Course Superintendent, will decide when an event will be canceled due to weather. When there is doubt as to play, players should call the Pro-Shop one hour before the scheduled start or report to the course. When an event has been canceled an email notice will be sent out to members who have registered their email. Players leaving the clubhouse grounds before rainouts are officially canceled will be disqualified from that day's event.
5. Suspension of play due to the proximity of lightning is a MUST! Players are asked to seek shelter immediately during periods of heavy lighting. Players should only resume play AFTER the threat of lightning has passed.
6. Team handicaps will be determined by the compilation of a players last three (3) tournament scores. Senior League handicaps will be adjusted after Every Event; flights will be adjusted after Every Three (3) events.
7. It is the responsibility of the player to make sure their scorecard is turned in. Once the results have been posted no additional scorecards can be accepted.
8. Prizes will be awarded for each event. There will be (3) flights for individual events, paying the first (3) low net places in each flight. There will be (2) flights for two-man events, paying the first (3) low net places in each flight. Our goal is to pay one quarter of the field each event.
9. All money awarded will be in the form of Pro-Shop Credit. Winners may redeem their credit after the results have been posted or they may let their winnings build up over the course of the season. Pro-Shop Credits are good for Pro-Shop merchandise only. Please redeem any credit by December 31, 2023.

The Sunflower Senior League plays "Ready" golf and avoids slow play by observing the USGA rules amplified as follows:

1. Play the WHITE TEES.
2. You may improve the lie of your ball in the fairway or rough, one scorecard length. Remember You May Improve Your Lie Not Your Position.
3. Absolutely No Mulligans!
4. No More Than 10 Strokes on Any Hole! Six shots from the field, four putts on the green.
5. All Putts Must Be Holed Out! No "Gimme Putts".
6. When a tee or fairway ball is lost, hit into a water hazard, or hit out of bounds, play another ball at the nearest point where the ball was lost, hit into the hazard or went out of bounds. One Stroke Penalty. (Play another ball on the green side of the water hazard)
7. Whoever is ready to tee off do it. Be Ready To Hit When It's Your Turn!
8. Turn in your scorecards immediately following play!
9. Play ready golf. It is always more enjoyable to play in 4 to 4 ½ hours! You can do it.

2023 Monday Event Formats

Two Man Scramble

Each player tees off, the best tee shot is selected and all players play their second shots from that spot. The best second shot is determined, and then all play their third shots from that spot, and so on until the ball is holed. Team handicap is calculated by adding together 35% of the "A" player's and 15% of the "B" player's handicaps.

Two Man Best Ball

Each player plays their own ball. The team score is the lowest Net score on the hole. Each team member receives their full handicap.

Two Man Total Score

Each player plays their own ball. The team score is the total of these two net scores. Each team member receives their full handicap.

Two Man Shamble

Both players tee off. Select the best tee shot of the Two. Each team member will play his own ball from this point forward. The team total will be the total of these two scores. Team handicap is calculated by taking 60% of the sum of the two players' handicaps.

Two Man Tri-Play

Holes 1-6 are Two Man Scramble. Holes 7-12 are Two Man Best Ball. Holes 13-18 are Alternate Shot - At the start of each hole both players ("A" & "B") hit tee shots: The team decides which is the best shot to play, if "A's" shot is selected then "A" sits and "B" plays and vice versa. The team alternates shots from this point until the ball is holed out. Team handicap is calculated by adding together 35% of the "A" players and 15% of the "B" player's handicaps.

Two Man Kansas Scramble

Must use six (6) tee balls from each player.
